INSPIRING YOUR CHILD TO LOVE LEARNING AND BE THE BEST THEY CAN BE

St Patrick's offers a small and personal Catholic school community where a wonderful spirit of love, care and support is central to our identity. Our learning programs support a variety of student interests and learning needs. We have a dedicated, talented and professional team who are proud of their commitment to the learning of all the children in our care. In partnership with our parents, our faith-led approach with a focus on community awareness, social justice and student's wellbeing is an important part of our point of difference. St Patrick's is a priority feeder school for St Leo's Catholic College at Waitara.
