## From the Principal

Dear Parents and Carers,

It was lovely to see so many families turn out to support various events in the past week. The P&F Welcome BBQ was very well attended, and families enjoyed a nice atmosphere of music and fun. A huge thankyou to our P&F team for leading with energy and commitment to make it a great success. From serving in the canteen, cooking the BBQ, supporting activities, organising set up or packing up, your support goes a long way to making the evening run smoothly.

Families also supported the Year 6 and Kindergarten Family Parish Mass on Sunday through their attendance and participation. It is always impressive to see our Year 6 students step up and lead the way for their community. There were around 20 Year 6 students who took part by reading, singing, performing, serving and being part of processions. It was also great to see so many Kinder students present and participate in the thanksgiving celebration after communion.

### St. Patrick's Day

Our school celebrated St. Patrick's Day on Monday. Apart from wearing something green, the children began the day with some fun activities before school celebrated the St. Patrick's Feast Day Mass together. I thank and acknowledge families who supported the gold coin donation fundraiser for Project compassion.

Thanks to Katie B and Maegan R, the children (and some teachers) did enjoy the opportunity to purchase some green items from the canteen. Although threatening weather stopped us from heading down to Mills Park, we were able to hold the activities at school. I thank and acknowledge our Stage 3 students who lead these activities so well.

### School Cross-Country

Yesterday the children participated in the annual School Cross-country. It was a highly successful event due to the wonderful way the children participated and also encouraged each other to do their best.

I thank and acknowledge Mr Jordan Barlow for his efforts to facilitate the event and the support of teachers and many parent volunteers who marked the course, counted laps, recorded results and

handed out ribbons. The Kinder children enjoyed running part of the track while their Year 6 buddies, teachers and their parents cheered them on. It was a great way to finish the event.

## Harmony Day

Today we are acknowledging Harmony Day with many students and staff wearing a splash of orange to show their support for cultural diversity and an inclusive Australia. This year's theme is 'Everybody Belongs'

The children can enter a Harmony Week Poster Competition with other fun activities in class during the week.

## QuizzaMe - Trivia Night

The challenge has been set to all parents: *Who can beat the teachers at the upcoming P&F Trivia Night?*

We are looking forward to a great night of trivia, games and fun and hope to see lots of parents coming along. I encourage parents to speak with each other at drop-off or pick-up, through the Class Facebook Page or wherever you can, make a team and buy a ticket.

The P&F Trivia Night is being run by a professional trivia quiz company called QuizzaMe. QuizzaMe uses buzzers to deliver a game-show like experience. All questions are multiple choice and selected from a great range of categories. All the scoring and marking is automatic, meaning we can run other games in the breaks, rather than marking answer sheets. It promises to be a terrific night.

Details are below:

- ? Trivia Night run by QuizzMe held on Friday 5 April in the school hall.
- ? Doors open at 6.30pm for a 7.00PM start.
- ? Make your own teams with a maximum of 8 per table. BYO food and drinks.
- ? Tickets are \$20.00 each and can only be purchased through the school QKR app.

Buy your tickets early as there will be limited tables available. Ticket sales close on Monday 1st April at 5.30PM.

## School Open Day

I am calling on all parents to assist in promoting our school as the perfect place for new students to attend. If you know of parents who have preschool children ready to start school in 2025 and beyond, please take the opportunity to let them know about St. Patrick's Asquith as the school for them. Please encourage them to attend one of our School Open Day sessions on Thursday 9th May to see and hear why St. Patrick's is the perfect place for their child.

Parents can register their attendance via the school website or using the following link: [School Open Day 2024](#)

## Safe and Caring Actions

The behaviour focus for this week and next is 'Safe and Caring Actions. Included in our focus will be the children not sharing their food to protect students who have intolerances, allergies or have an anaphylactic reaction to certain foods. We ask that parents support this particular goal by speaking with their child/ren at an appropriate time.

## Cricket - Mark Taylor Shield

Congratulations to our school cricket team that had a great day out playing Sacred Heart Pymble. Although we didn't win the game the children had a wonderful time and were model students representing the school. They represented the school so well we received a lovely letter from a parent connected with Sacred Heart congratulating our team for their behaviour and good spirits throughout the day. I thank Mr Maher and Mr Daly for organising, coaching and umpiring and the parents who supported them and the team.

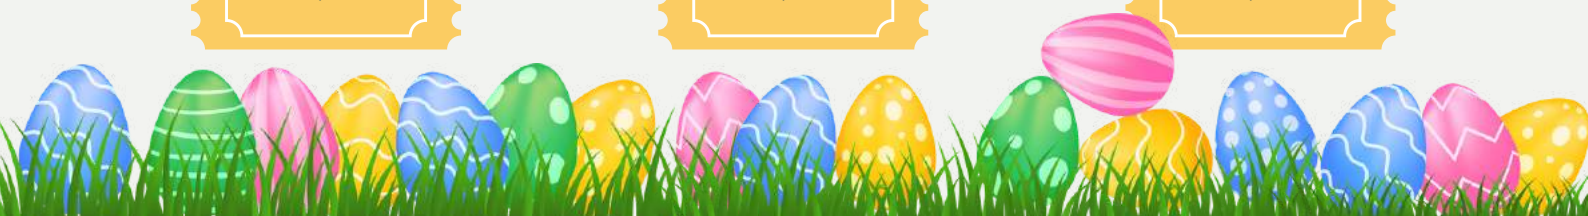

## Easter Egg Raffle

A reminder that our Year 6 students are holding a fundraiser with an Easter Egg Raffle. Tickets can be purchased next week via QKR or purchased at school. Tickets are:

## After School Care

Due to the building program, St. Patrick's will not be operating the Before and After School Care service on Staff Development Days. School care will be provided at Water Street Kids at Prouille Catholic Primary School for these days. Parents needing to use this service need to notify our provider Royston Kids to book a place. On the day parents will need to drop and pickup from the Water Street Kids service.

The dates for these staff development days are:

- Tuesday 2nd April (following the Easter Long Weekend)
- Friday 12th April (the last day of Term 1)
- Monday 29th April (the first day of Term 2)
- Friday 5th July (the last day of Term 2)
- Monday 22nd July (the first day of Term 3)

God bless you and your families.

## Parish News

### Parish Children's Choir

We very much enjoyed celebrating St Patrick's Day on Sunday, with the parish community and Year 6 and Kindy children who brought so much to the celebration.

The Choir will be singing this Sunday for Palm Sunday, and everyone is invited back to sing on Easter Sunday at 10am Mass, to spread the great joy of Easter. Children's Choir sings at 10am Mass on 2nd and 4th Sundays of every month, and practises on Fridays from 4 to 5pm in the church. PLEASE NOTE: no practice on Friday 29th March (Good Friday); practice as usual on 5th and 12th April.

Memory is 26 years old and lives in rural Malawi. As the eldest child in a low-income farming family, Memory had to take on many household chores and farming activities to support her parents. They struggled to pay for Memory's school fees and school supplies, and Memory often had to walk to school barefooted.

With the support of Caritas Australia and its partner the Catholic Development Commission in Malawi (CADECOM), Memory was able to enrol at a technical college where she learnt technical skills in carpentry. She undertook a three-year carpentry course, with CADECOM supporting part of her tuition and boarding fees.

Memory became the first female carpenter from her village. Today, she works as a carpenter at one of Malawi's largest hydroelectric power stations. With the income from her job, she can provide financial support to her family and inspire other young women in her community so that they may have the opportunity to succeed in a male-dominated industry.

## Our Fundraising So Far...

Through the very successful pancake day we raised \$340. Thank you to the P and F for your support of this fundraiser and for supplying the pancakes.

On Monday for St Patrick's Day we filled a Shamrock with donations raising \$165.95 dollars for Project Compassion.

This has been an awesome effort from the St Patrick's Community to help support Caritas and their work around the world.

Next week we will have our final fundraiser for Project Compassion with the Mercy Action Group running a colouring in competition on Monday and Wednesday lunch times. Please bring a gold coin donation to participate in the colouring in competition. The Project Compassion Boxes will also remain in classrooms until Thursday next week.

Thank you for your support of Project Compassion this year.

Caring  
Actions

# PASTORAL CARE FOCUS

Term 1 Weeks 7 and 8

We are safe learners who use safe  
and caring actions.

## Why is it important to develop this skill?

Over the next two weeks we are hoping to divide this Pastoral Care focus into two parts - SAFE ACTIONS and CARING ACTIONS.

SAFE ACTIONS: We will be looking at why we need to have safe actions towards others, in the classroom and on the playground, particularly around being allergy-conscious, not sharing food, and being mindful of other's needs around us.

CARING ACTIONS: Contributing to Project Compassion (St Patrick's Day Coin Trail), being inclusive of all (Harmony Day/Week) and committing to Lenten promises.

Things we can encourage our students to do: Use our hands and hearts to help and support others. Thinking about others - using kindness and being caring in our actions. Be mindful of sharing food - we want to make sure everyone is safe at school. Thinking about our Lenten promises or a simple way that we can make someone else's day.

Choose to do small acts of  
kindness at home

Help out at home or take on a  
new responsibility

Reinforcing safe play and use of  
spaces at home.

## How can you help develop this at home?

Contribute funds to Project  
Compassion.

Using safe and caring actions  
with siblings - encourage one  
another.

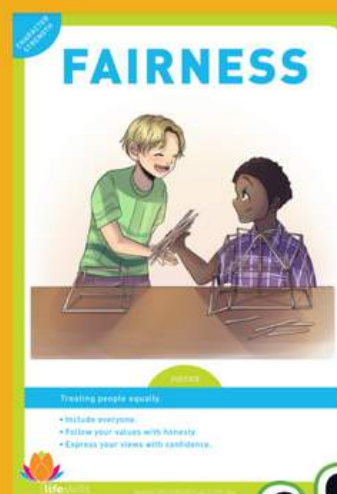

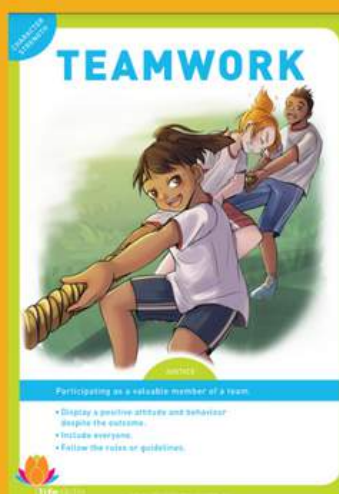

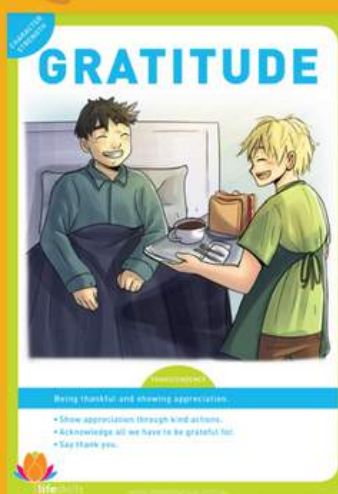

Take Care and be kind to yourselves,  
Hannah Fryar  
Wellbeing and Sports Coordinator

# Wellbeing Week

## Week 8 Term 1

### THEME - Life Skills Go Character Traits

## What's On?

- *Gratitude Monday*
  - Foster a feeling of what gratitude can do for our overall happiness and wellbeing. Today there are activities that are about being thankful and appreciative of our life.
- *Teamwork Tuesday*
  - The focus of this day is all about building life long skills in how to communicate and problem solve within a team. Also how to participate and be a valued member of a team.
  - Students can wear a **team jersey** on this day to get in the spirit.
- *Creativity Wednesday*
  - We want students on this day to think about things in new and creative ways. Fostering the importance of imagination and embracing the different ways we can all think.
  - Whole school art mural will be up in the playground today for students to add to during playground time.
- *Fairness Thursday*
  - The focus drawing a close to the week students reflect on what fairness means - equality and treating others how we would like to be treated.
  - Staff vs Student Handball Games at lunch - fostering positive communication and fairness within games.

### Premier Reading Challenge

2024 NSW Premier's Reading Challenge  
Start reading now!

The Premier Reading Challenge is a great opportunity to encourage your child to read. Last year we saw over 125 students take up and complete the challenge which was inspiring!

We would love to continue to build on this and see as many children read and develop an enjoyment for reading a variety of books.

All new student's username and passwords were sent home this week. If anyone is having issues logging on or has forgotten their user details, please encourage them to come and see me in the library during 'Let's do Lunch' Mon - Wed.

### Let's Do Lunch

Every Monday - Wednesday the library is opened at lunchtime for children to come and read or engage in some quiet fun activities.

#### Competitions for March Madness during LDL

- Design a Nike sneaker for a book character.
- Find the 15 hidden gems to go in the draw to win a ring pop.
- Name our temporary library space with a new name that inspires reading, calmness and adventure with a mascot to join Croissant our sloth.

# ST PAT'S SPORTS REPORT

## Mark Taylor Shield

Last Friday St Patrick's were defeated by the narrowest of margins by Sacred Heart, Pymble in the first round of the Mark Taylor Shield Competition. Sacred Heart batted first and set a formidable total of 135 off their 30 overs. Our top order got off to a great start with Captain Liam Daly, plundering the opposition attack, dispatching boundaries to all parts of the ground in one of the best innings I have seen in junior cricket scoring 75 not out. At the halfway mark of our innings we looked like we had it in the bag. Sacred Heart however lifted and suddenly with only a few overs to go the pressure shifted back to St Patrick's. Would you believe it all boiled down to the very last delivery with St Patrick's requiring two runs off the last ball? Sadly, it was not to be our day and Sacred Heart move on to the second round.

I would like to congratulate the team for the way they conducted themselves. For most students this was their first experience of competitive cricket and it presented a very steep learning curve. All players they were all able to contribute one way or another. Mr Daly and myself were very proud of the way everybody gave their best, encouraged each other and played in a competitive but respectful manner.

There were a number of other very impressive performances which included Josh Telford being on a hat trick, Tom Harron's bowling with no wides and Lucca taking three wickets! Thomas Schokman was able to take three catches. Oscar Thiele provided great support for Liam batting for an extended period and managed to bowl one of the top batters from Sacred Heart for a duck. Josh Telford also batted well scoring a chanceless 15 not out.

Once again thanks for your effort in coming so close!

I would like to say a special thanks to Peter Daly, father of Liam, for his help and support over the last three years of Mark Taylor Shield. Peter has given of his time training the team, organising kits, scoring and setting up the ground. Without his support St Patrick's would not have been able to participate in this competition.

# PADDY'S CARE GROUP

*It's not how much we give, but how much love we put into giving.*  
- Mother Teresa

Paddy's Care Group was formed in 2011 by a parent who saw a need to help others in the school community. We are a support network within the St Patrick's community and have parents who are willing to lend a helping hand when required.

Here are some ways that Paddy's Care Group have helped families in the past:

- ★ by assisting with meals
- ★ helping children arrive to and/or from school
- ★ praying for people.

People can ask for help for different lengths of time dependent on their need. For example, we have helped families who have had to deal with sudden illnesses, where a meal or two a week for a period of time has just helped them through.

The person/people who require help is kept confidential. The only people who know are the group coordinators. You can contact us directly/via email/via another parent or through the school office.

## WHO ARE WE?

**Cecilia Rossi & Tiphane Condon**

Coordinators for Paddy's Care Group.

If you'd like to volunteer to be on the contact list to help prepare a meal when needed, please let us know.
